REPORT TIMES AND CARPOOLING

For LOS ONLY: Report time at the stadium is generally 4 hours prior to game time (specific times will be provided to the workers for each event). We carpool to the stadium together and usually meet at Target near O'Charley's one hour prior to the report time. A good rule of thumb for arriving home is about 5 hours after game start time. Example: For a 1 pm Colts game the carpool would meet at 8 am, check in at the stadium would be at 9 am, gates would open at 11 am, game time at 1 pm, and you would arrive home approximately 6 pm

ICC/Centerplate: Carpooling can be arranged on an individual basis and event

WHAT WILL I DO WHEN I GET THERE?

LOS: We run a busy concessions stand and you will not be bored! Prep workers assemble (depending on our stand) burgers, sandwiches, prepare nachos and popcorn, take care of condiment stands, and restock items. Cashiers run a register and sell items as well as pitching in wherever needed. We are all a team! There will always be someone to help you learn when you are new.

ICC Concessions: Similar to LOS, but at the Indianapolis Convention Center Concessions stands

Centerplate Banquet: Each event is different. You could range from preparing for meal service by setting tables, rolling silverware, then when the event begins you could be serving meals, drinks, bussing tables, or monitoring and filling buffet tables, clearing plates/glasses. Clean up after event is over.

SOUNDS LIKE A LOT OF HARD WORK...

It is, but it is also fun, and the most profitable personal fundraising opportunity for your student account.

WHAT CAN I CARRY INTO THE STADIUM?

... as little as necessary. We all have cell phones these days and, of course, we need our ID, alcohol permit and ACT certificate. Beyond that, don't bring it if you do not need it. Some people bring a drawstring bag, just know that it'll get checked at the security checkpoint. You may not bring food or drink from outside into the stand. If you have a special medical situation, let us know.

WHAT IF TOO MANY PEOPLE SIGN UP THAN WHAT IS NEEDED FOR THAT DAY?

If we have more people signed up than what we need, potentially they can work at other stands that may be short staffed. An email detailing needs will be sent out prior to the events. Watch for those emails and be ready to sign up as needed.
