

Fishers Marching Tiger Band

Personal Fundraising Opportunities Information

Hi! My name is Rachel McLaren, and I am coordinating the fundraising opportunities for the upcoming band season. I have one marcher entering his senior year this season and another who graduated in 2024. I successfully sent two marchers to the NYC Macy's trip and am excited to help you send your children on this incredible journey!

Each opportunity below pays to your marcher's personal account! 10% goes to the general fund with the rest directly funding your marcher's fees. Money raised can be transferred to Music Travel during trip years after your band fees are paid in full for the season. Simply reach out to Student Accounts and our Treasurers to facilitate this. All opportunities will have an event specific signup genius and info sent out via BandApp and Cuttime.

We are currently waitlisted as a group for opportunities. Information to come as soon as we get moved up! There may be opportunities with the groups not affiliated with the band to earn money working at events here. Information for those groups are outlined in Other Opportunities tab on the Personal Fundraising page on the Fishers Band Website.

Trash Bags

This one is easy and anyone can do it. Sell trash bags to anyone who needs some! 5 different styles/sizes are available for purchase. A stock is carried so most orders can be picked up/delivered right away. Rolls cost \$13 each with \$3.50 going to your students account and \$1.55 going to the general fund. Simply fill out the trash bag order form and email it to trashbag@fishersband.org.
